

Application Video - Steuler Growth

In a 5-minute application video, please address the following questions:

1. Name, age, place of residence
2. Education / degree / further advanced qualifications
3. What special achievements (professional and personal) have you already accomplished?
What have you learned from your positive as well as your negative experiences?
4. Why do you want to take part in the program right now in particular?
5. Which competencies do you want to develop in the program?
6. What can the group expect from you through your participation?

Please send your application video to: growth@steuler.de.
